Once issued, you should wear this protective wear on any and all relevant occasions, as not to do so may jeopardise your welfare and breach a condition of the Council's insurance policy.

Any cut or burn on the hand or arm must be covered with a suitable approved dressing.

If you are suffering from an infectious or contagious disease or illness, you must not report to work without clearance from your doctor. In these circumstances even after obtaining clearance from your doctor, you must obtain clearance from the Parish Clerk.

Arrangements

Copies of health and safety guidance provided by the Health and Safety Executive are held by the Parish Clerk. These are the primary reference for Health and Safety matters

Periodically, health and safety reviews will take place. Risk Assessment forms will be completed and, where appropriate, improvements implemented to minimise significant risks.

Safety instruction (where necessary) will primarily be provided on the job but will be supplemented by more formal tuition when required.

Accident Reporting

All accidents should be reported to the Parish Clerk using the appropriate Accident Report Form. The Parish Clerk will ensure that the Council's Accident Record is updated accordingly.

The policy will be reviewed from time to time and may be updated.
